DARK

ANTIQUÉ YEW

All Mahogany & Yew will be polished in our STANDARD colour unless otherwise stated.

**Note:** The Cherry used in our bookcase systems will match closely to our standard Yew shade.

## OAK WOOD FINISH

PALE

STANDARD

DARK

ANTIQUÉ OAK

These Oak colours are available on our veneered furniture. Antiquing is the darker shading around the mouldings and edges.

This ageing character and patina would normally be present on furniture that has seen many years of polishing and care.

When using natural materials such as wood, leather and fabric colour variations may occur.
