

# IDEAL

TEAMWORK

A range that can be tailored to every user's preferences, IDEAL offers a wide variety of different worktops and desk frames conceived around a clean design.

**IDEAL**

*A furniture range awarded with the NF Office Excellence Certifiée, NF Environnement and GS certifications, recognising its compliance with exacting standards in technical and ecological design.*

**PATRICE PLUMAIN** Quality Coordinator

Height-adjustable desks offer a workstation that adapts to different user morphologies.

Solutions for effective acoustic and visual privacy.

Half-moon extension unit to create an effective desk-end meeting table.

Maximise filing and storage space with metal storage solutions in a matching finish.

## WORKTOPS

Counterbalanced 25 mm thick high density melamine worktops. Strip of 2 mm thick ABS edge banding in a matching finish to worktops. Desks are pre-drilled with openings to receive optional cable ports. Desk structure is secured to the worktops by means of screws and metal inserts.

## METAL LEG STRUCTURES

Fixed H. 73.5 cm or height-adjustable (from 62 to 86 cm) metal legs. Adjustable stabilizer feet. Fixed legs composed of a pressed sheet metal base, a straight upright and a fixing plate that secures the whole to the worktop. 3 different structures can be attached to «L»-shaped legs: horizontal crossbeam and metal or melamine modesty panel. Only the crossbeam structure may be attached to «I»-shaped legs.
