# HOMERE

Fast delivery guaranteed

.....  
**COMPACT & MODULAR DESK**

With its compact, modular and 'habitat' design, HOMERE is specially designed to fit into the home environment. Thanks to its worktop that slides and swivels and a capacious storage drawer, Homere enables the instant deployment of a practical workspace that stows away easily by folding back on itself. A clever desk that does not take over the room. HOMERE is THE desk for smaller spaces !

## ECONOMICAL AND FUNCTIONAL DESK

ARIAL is a functional desk that is ideally suited to smaller spaces. A clean and linear styling makes for a timeless aesthetic that will suit any home interior design. If you are looking for a modern and classy style, we recommend choosing a 25 mm thick worktop in a Brunswick oak finish.

**£ 245** excl. tax

ECONOMY SIT-STAND DESK

Accessibly priced and with a height adjustment system enabling users to switch smoothly between sitting and standing positions, LUTZ is the ideal ultra-ergonomic desk for furnishing a home workspace. Its 80 cm deep by 140 cm wide worktop allows it to easily find a place within most spaces. Its key benefit: an electric drive height-adjustment system with 4 positions memory.

## ERGONOMIC SIT-STAND DESK

Because health and well-being are absolute priorities for users, AXEL is the perfect desk to help them avoid sedentary habits by allowing a smooth and easy transition from a seated to a standing working position. Highly ergonomic, the electric operated version offers a wide height adjustment range (from 65 to 130 cm ), an anti-collision system and a cable trough for the discreet storage of sockets and cables under the worktop.

## COMFORTABLE & COMPACT

Thanks to its many seat adjustment possibilities, OSCAR can adapt to the morphology of individual users to ensure their optimal comfort and well-being throughout the day. OSCAR will fit effortlessly into any home office setup thanks to its compact proportions and a contemporary design. Better still, to provide a suitable solution to any interior design, a wide palette of colours can be called upon to personalise OSCAR.

.....

## CLEVER & ACCESSIBLE

SINGLE stands out thanks to its folding armrests that allow the chair to easily slide in under the desk top, paired with a mesh backrest that lends it a distinctive 'habitat' appeal. Its many adjustment mechanisms, from backrest and chair height to the tilting of the seat, ensure the optimal comfort of users throughout the day.
